CONFERENCE OVERVIEW

Dear members and sponsors

The Livestock and Rural Transporters Association of Queensland (LRTAQ) 2021 Annual Conference is scheduled for 9 – 11 April. On behalf of the LRTAQ Management Committee, I'd like to invite you to join us as we mark our milestone 40th anniversary. Fittingly, we are headed back to where it all started – Roma – the location of the very first meeting of the then LTAQ back in 1981.

LRTAQ members, industry members, suppliers, service providers and government representatives are invited to join us over the three days to receive the latest updates, discuss the future of our industry, and enjoy great social events.

For many of our members and supporters, the LRTAQ Annual Conference is also an opportunity to catch up with friends and colleagues and build new and lasting business relationships. Partners are welcome and encouraged to attend the conference, and there is a Partner Tour on the Friday we hope you'll take up.

Our annual conference is made possible through the generous support of our valued sponsors and I'd like to acknowledge and thank them for their contribution to the sustainability and prosperity of the rural transport industry.

If you have any questions about the conference, please don't hesitate to get in touch with Laney at the LRTAQ Secretariat.

I hope you can join us in April.

Regards

Gerard Johnson
