

LIVESTOCK TRANSPORT AND HANDLING WORKSHOPS

Workshop 1: Wednesday, 7 April 2021
Workshop 2: Thursday, 8 April 2021
Roma Saleyards

About the workshops

The Livestock Transport and Handling Workshops aim to promote safer work practices and better animal welfare outcomes in relation to the task of handling livestock throughout the supply chain.

The workshops will provide an understanding of cattle behaviour and handling techniques.

These one day workshops will incorporate theory and practical elements delivered by industry experts Tom Shephard and Rick Young.

All workshop participants will receive a certificate of completion as a record of attendance.

Who should attend?

Participants must be employed by or operate a livestock transport business.

HOW TO REGISTER

Places are strictly limited. Register by visiting www.lrtaq.com.au/events or calling Laney on 07 3726 5039

**EFFICIENT
STOCKHANDLING
— SOLUTIONS —**

Meet the trainer

Tom Shephard started his consultancy and training business, Efficient Stockhandling Solutions after managing cattle stations around Australia for 20 years. He is now dedicated to educating people on how to work with livestock safely and efficiently and delivers training all over Australia.

These workshops are made possible through generous support from:
